

— **SAFE ZONE:**

All critical elements (text, images, graphics, logos, etc.) must be kept inside the blue box.

Keep all elements away from the blue line (Safe Zone).

— **TRIMMING ZONE:**

Please allow 0.300 inches cutting tolerance all around. We do not recommend leading borders due to shifting in the cutting process, which may cause borders to appear uneven.

— **BLEED ZONE 0.300 inches:**

Make sure to extend the background images or colors all the way to the edge of the black outline.

IMPORTANT

Please remove all guidelines/strucklines before submitting your files, or else they will be printed. All text should be converted to outline.

**Final Size: 1.6 inches diameter
Size with Bleed: 1.625 inches diameter**
